Dear Mr. Gates:

In response to your records request for measurements of ambient (no aircraft) daytime sound on and in the vicinity of PCH helicopter routes. This should include date, time, location, and sound levels recorded; and measurements from the same areas which include helicopter over flights, the Community Development Department's Environmental Division has responded no such records exist at this time.

This request is complete. If you have any questions, please contact our office.

We now accept records requests via email at [CityClerk@TorranceCA.gov](mailto:CityClerk@TorranceCA.gov).

Sincerely,

Rebecca Poirier  
Deputy City Clerk
